ARRANGEMENT CONCERNANT LE COMMERCE INTERNATIONAL DES TEXTILES

Notification conformément à l'Article 2, paragraphe premier

Note du Président

Addendum

On trouvera ci-joint copie de la lettre du 27 janvier par laquelle le Ghana fournit au Secrétariat des renseignements complémentaires à sa notification initiale en date du 14 novembre 1974 (voir TEX/SB/1/Add.17).
Dear Sir,

With reference to our telephone conversation (Mr. Salib/Haizel) a few weeks ago, I wish to confirm that Ghana's import restrictions in force are for balance-of-payments purposes only and that quotas do not form part of these restrictions. Tariffs are used, in most cases, to protect local industries.

2. Import control of the items listed in our letter No. GATT/I.T.T. dated 14th November 1974 operate through foreign exchange restrictions. Restricted import items do not have a priority claim on foreign exchange resources available at any given time.

Yours faithfully,

J. E. B. Haizel
for HEAD OF MISSION

The Chairman, Textiles Surveillance Body, GATT, Villa le Bocage, Palais des Nations, CH - 1211 GENEVA
