AGREEMENT

BETWEEN

THE GOVERNMENT OF THE KINGDOM OF NORWAY

AND

THE GOVERNMENT OF THE SOCIALIST REPUBLIC OF VIETNAM

RELATING TO THE EXPORTS FROM

VIETNAM

OF CERTAIN TEXTILE PRODUCTS FOR IMPORT INTO

NORWAY
Introduction

1. This Agreement sets out the arrangements that have been made between the Government of the Kingdom of Norway and the Government of the Socialist Republic of Vietnam regarding the exports of certain textile products from Vietnam for import into Norway.

Duration

2. This agreement shall apply for the period 1 January 1994 - 31 December 1995.

Coverage

3. These arrangements apply to the exports from Vietnam to Norway of the textile products listed in Annex A to this Agreement when these are made of cotton, wool or man-made fibres or blend thereof.

Classification

4. (a) For the purpose of classifying textile products in the appropriate category, the definitions set out in Annex A will apply.

(b) In case of divergent opinions between the competent authorities of Norway and Vietnam at the point of entry into Norway on the classification of products covered by this Agreement, consultations as provided for in Article 9 of this Agreement shall be held with a view to reaching agreement on the appropriate classification of the products concerned and to resolving any difficulties arising therefrom. For this purpose, the authorities of Vietnam shall be informed by the competent authorities in Norway as soon as a case of divergent opinions on the classification of products arises.

(c) Pending agreement on the appropriate classification and in order to avoid disruption of trade, the products in question may be
the classification indicated by the competent authorities of Norway at the point of entry, in conformity with the provisions of this Agreement.

Restraint levels

3. For products listed in Annex B to this Agreement, Vietnam shall for each restraint period during the term of this Agreement restrain the exports from Vietnam to Norway to the limits set out in Annex B or the limits modified as provided for in this Agreement.

Flexibility provisions

6. (a) Carryover. If in any restraint period of this Agreement, levels specified in Annex B of this Agreement for any categories are not fully utilized, the Government of Vietnam may after prior notification to the Government of Norway during the subsequent twelve months period, approve the export of additional amounts equivalent to such shortfalls provided that such exports are in the same categories where the shortfalls occurred and do not exceed the percentages set out under column (d), Annex B, computed on the basis of the levels for the subsequent twelve months period.

(b) Carryforward. During each restraint period, the Government of Vietnam may, after prior notification to the Government of Norway, approve the export of amounts in excess of the levels specified in Annex B to this Agreement up to the percentages set out in Annex B under column (e), computed on the basis of the levels for the current restraint period. Where specific levels have been increased by carryforward, the Government of Vietnam shall inform the Government of Norway of the carryforward quantities and debit these to the corresponding levels which are agreed or may be agreed upon for the subsequent period.

(c) Swing. During each restraint period, the Government of Vietnam may, after prior notification to the Government of Norway approve the export of amounts in excess of the levels specified in Annex B to this Agreement up to the percentages set out in Annex B...
under column (f), computed on the basis of the levels for the current restraint period. Where specific levels have been increased by swing, a corresponding reduction shall be made in one or more of other levels calculated on the basis of the conversion factors listed in Annex B, column (g).

Administration

7. Exports from Vietnam to Norway of textile products listed in Annex B shall be subject to a double-checking system of export and import control as specified in Annex C of the Agreement.

Circumvention

8. The Government of Norway and the Government of Vietnam agree to cooperate fully in dealing with problems relating to circumvention of the arrangements set out in this Agreement.

When information available to the Norwegian authorities indicates that products of Vietnam origin listed in Annex B to this Agreement have been imported into Norway by transshipment, rerouting or otherwise, in circumvention of the arrangements set out in this Agreement, Norway may ask for consultations as provided for in Article 13 of this Agreement, with a view to agree on an appropriate adjustment of the quantitative limits for the products concerned.

Seasonal Fluctuations

9. The Government of Vietnam will endeavour to ensure that exports of textile products subject to quantitative limits are spaced out as evenly as possible each calendar year, due account being taken of normal seasonal factors.

Rules of Origin

10. The origin of the products covered by this Agreement shall be
determined in accordance with the rules in force in Norway and the procedures for control of the origin of the products set out in Annex C.

Re-exports

11. Exports from Vietnam to Norway of textile products covered by this Agreement shall not be subject to the quantitative limits established in Annex B, provided that the export certificate certifies that the products concerned are for re-export outside Norway.

Exchange of statistics

12. For all products covered by this Agreement the Government of Vietnam undertakes to provide the Government of Norway with quarterly statistics of all certificates of origin issued by the authorities for each category for the current restraint period.

The Government of Norway will provide the Government of Vietnam with quarterly statistics of licences issued for imports from Vietnam of all categories covered by this Agreement.

Each report shall be transmitted before the end of the second month following the quarter covered by the report.

Consultations

13. The Government of Vietnam and the Government of Norway agree to consult at the request of either Government, on any question regarding this Agreement.

Any request for consultations shall be notified in writing to the other party together with a statement explaining the reasons and circumstances that led to the request.
The parties shall enter into consultations within 30 days at the latest from the date the request was made, with a view to arriving at a mutually satisfactory conclusion within a further 30 days.

General:

14. Either party may at any time propose modifications to this Agreement. Such proposals shall lead to consultations in accordance with procedures outlined in Article 13.

Either party may at any time terminate this Agreement provided that at least 90 days' notice is given. In that event the Agreement shall come to an end on the expiry of the period of notice, unless otherwise agreed upon.

15. The Annexes (A) to (D) to this Agreement shall be considered integral part thereof.
