Dear Mr. Wurth,

Referring to your note of 25 April 1977 (TEX.SB/216) and to the conversations I had on this subject with you and Mr. R. Davies, I would like to inform you that Poland and Canada will carry on in the third decade of May bilateral consultations on textiles.

In view of these circumstances and in agreement with the Canadian Mission in Geneva I would kindly ask you to suspend the examination of the Canadian-Polish case by the TSB pending the results of the above mentioned consultations.

Yours sincerely,

Tomasz JODKO
Permanent Representative of Poland to GATT
