Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the TSB of two additional amendments to the bilateral textile agreement, as amended, between the Government of the United States of America and the Royal Thai Government. The original agreement was notified to the TSB and circulated as COM.TEX/SB/153 of 26 March 1976.

The first amendment represents the assent of the United States to a request from Thailand for increases in the consultation levels for four textile categories applicable to the second agreement year. The second represents, (a) an agreement between the two governments to merge categories 116 and 117 and to merge categories 15 and 16 and, (b) an agreement on adjustments in the designated consultation levels set forth in Annex A to the bilateral agreement in order to bring those levels into closer conformity with needs of the trade.

Attached are copies of State Department Press Releases No. 12 of January 12, 1978 and No. 1 of January 3, 1978 setting forth full texts of the exchanges of letters and Notes giving effect to the amendments.

Sincerely,

Harry M. Phelan, Jr.
Minister-Counselor
