Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the TSB of two recent amendments of the bilateral textile agreement, as amended, between the Government of the United States of America and the Government of the Republic of the Philippines. The original agreement was notified to the TSB and circulated as COM.TEX/SB/154 of 24 March 1976.

In an exchange of Notes on December 27, 1977 the United States gave assent to a request from the Philippines to exceed, for the year ending December 31, 1977, the applicable consultation levels in categories 54 (traditional) and 228 (non-traditional). In an exchange of Notes on January 4, 1978, the United States gave assent to a further request by the Philippines to exceed, for the year ending December 31, 1977, the applicable consultation level for category 64 (non-traditional).

Attached are copies of Department of State Press Release Nos. 21 and 52 of January 13, 1978 and January 24, 1978 setting forth the full texts of the two Note exchanges giving effect to the amendments.

Sincerely,

Harry M. Phelan, Jr.
