The Honorable
Ambassador Paul Wurth
Chairman, Textiles Surveillance Body
Centre William Rappard
154, rue de Lausanne
CH-1211 Geneva 21

Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the Textiles Surveillance Body of the amendment of the bilateral cotton, wool and man-made fiber textile agreement between the Government of the United States of America and the Government of Colombia. The original agreement was notified to the TSB and circulated to the Textiles Committee as COM.TEX/SB/127 of October 23, 1975.

Subject amendment represents the accession of the Government of the United States of America to a request by the Government of Colombia to exceed the consultation levels in effect for Categories 19 and 228 in the third agreement year (July 1, 1977 through June 30, 1978). The consultation levels in effect in the preceding second agreement year for Categories 19 and 228 were 1,000,000 syds. equiv. and 700,000 syds. equiv. respectively. The new levels for Categories 19 and 228 for the third agreement year are 2,000,000 syds. equiv. and 1,200,000 syds. equiv. respectively. The changes represent a 100% increase in the level for Category 19 and a 71% increase for Category 228.

Attached hereto is a copy of U.S. State Department Press Release No. 203 of May 3, 1978, setting forth the exchange of Notes giving effect to the amendment.

Sincerely,

Harry M. Phelan, Jr.
Minister-Counselor
