ARRANGEMENT CONCERNANT LE COMMERCE INTERNATIONAL DES TEXTILES

Notification conformément à l'article 4

Accord entre la Suède et le Pakistan

Note du Président

La Mission de la Suède a fait parvenir au secrétariat la notification ci-jointe relative à un nouvel accord portant sur certains produits textiles conclu entre la Suède et le Pakistan.1 Un bref exposé des motifs de cet accord est également joint à la présente note.

1 Pour l'accord précédent, voir les documents COM.TEX/SB/123, 205 et 242.
Dear Mr. Ambassador,

I am notifying to the Textiles Surveillance Body a new agreement concerning trade between Pakistan and Sweden. This agreement has been reached for the purpose of eliminating real risks of market disruption in Sweden, while ensuring an orderly development of textile exports from Pakistan to Sweden and is being notified, in its relevant parts, with reference to Article 4 of the Arrangement Regarding International Trade in Textiles, as well as the Protocol of Extension and the understandings set forth therein (L/4616), acceded to by Sweden through letter of 28 April, 1978.

The new bilateral agreement represents a more comprehensive coverage than the previous one. This approach has been made necessary by the deteriorating situation in whole segments of the Swedish textile industry and by the real risks of market disruption which, according to past experience, an agreement covering only certain sensitive products would present in a country like Sweden.

The present system of comprehensive agreements, i.a. with Pakistan, is based on a categorization into fourteen groups of the most sensitive textile products within CCC (BTN) chapters 60-62. These groups are:

I  Stockings, under stockings, socks, ankle-socks, sockettes and the like, knitted or crocheted, other than ladies' stockings of continuous synthetic textile fibres

II  Shirts

III  Nightwear
IV Knitted underwear, other than shirts, nightwear and tights (including underwear T-shirts)

V Knitted sweaters, pullovers, slipovers, jumpers and cardigans etc (including outerwear T-shirts)

VI Overcoats and jackets

VII Suits, lounge coats and blazers

VIII Trousers, other than shorts

IX Costumes, dresses and skirts

X Blouses

XI Clothing, other than listed above, covered by CCC headings 60.03-60.05 and 61.01-61.04 as well as Commodity List 18 in Sweden

(Note: Commodity List 18 refers to textile products under the import licence surveillance system in Sweden. It is annexed to this letter.)

XII Travelling rugs and blankets

XIII Bed linen

XIV Towels and similar articles

In this agreement with Pakistan, separate restraint levels have been established for groups IV, V, X, XIII and XIV, whereas groups I - III, VI - IX, XI and XII have been merged into a common rest group, which should make a fair amount of flexibility possible. It can also be noted that most of the specific groups have a wide product coverage, which should work in the same direction. No textiles under CCC chapters 50-59 are subject to restraint in the present agreement.

As the new bilateral agreement has a structure which differs considerably from the old one, a valid comparison between them is very difficult.

The difficult situation of the Swedish textile industry has become further aggravated during the last years. Imports of garments have increased substantially, while consumption has been stagnant. This has led to a further decrease of domestic production. As in previous years, a number of factories have had to close down in 1977. It should be recalled that Sweden is the country which has the highest import penetration in the world when it comes to textiles and the highest per capita import of clothing from developing countries.

For Sweden, which is a small market, with an exceptionally high level of imports and a low domestic produc-
tion, the maintenance of a minimum viable production of textiles is of vital importance.

Yours sincerely,

Carl De Geer
Permanent Representative

Annexes: as stated
AGREEMENT BETWEEN PAKISTAN AND SWEDEN REGARDING EXPORTS OF TEXTILE PRODUCTS FROM PAKISTAN TO SWEDEN

Article 1

The following agreement has been reached on the basis of the Arrangement Regarding International Trade in Textiles, particularly articles 1:2, 4 and 6:4, and the provisions of GATT document COM.TEX/W/47.

Article 2

This Agreement shall apply with effect from March 1, 1973 as regards restraint groups IV, V, XIII, XIV, and the "rest group" consisting of groups I - III, VI - IX, XI and XII, and from July 1, 1978 as regards restraint group X. The Agreement shall be applicable until February 28, 1979.

Article 3

The Government of Pakistan will limit exports to Sweden of the textile products listed in Annex I to this Agreement to the levels set out in that Annex.

Article 4

If in the period March 1, 1977 to February 28, 1978 exports from Pakistan to Sweden of the items covered by the Agreement between the Swedish Government and the Government of Pakistan of February 28, 1977, are less than 120% of the levels specified in column (d) of Annex I thereto, Pakistan may export additional amounts of such items equivalent to such shortfalls during the
period March 1, 1978 - February 28, 1979, provided that such exports do not exceed 10 per cent of the levels specified in Annex I of the said Agreement. Carry over of quantities of group I items of the said Agreement is to be distributed on the basis of 20% to group IV and 80% to group V in Annex I to this Agreement.

**Article 5**

The Government of Sweden will admit imports of the textile products of Pakistani origin, listed in Annex I, provided that such imports are covered by an Export Certificate, as per specimen in Annex II. Such a document shall be issued by the Export Promotion Bureau, Government of Pakistan, and shall bear an endorsement that the consignments concerned have been debited to the agreed levels for exports to Sweden for the relevant period.

The date of issue of shipping documents shall be considered to be date of delivery (exportation).

**Article 6**

Both parties regard it as essential that exports to Sweden of goods listed in Annex I are evenly spaced throughout the period of agreement and that, in the allocation of quotas, due consideration is given to traditional patterns of trade. Accordingly, the Government of Pakistan undertakes to provide a procedure to achieve this.

Article 7

The Government of Pakistan will forward to the Government of Sweden, via the Embassy of Sweden in Islamabad monthly statistics on a cumulative basis of the quantities of the groups IV, V, X, XIII, XIV and of the value of the "rest group", listed in Annex I, for which duly endorsed export certificates for exports to Sweden have been issued.

The Swedish Government will forward to the Government of Pakistan monthly statistics on a cumulative basis of imports from Pakistan of the above mentioned groups listed in Annex I. The statistics shall be forwarded to the Government of Pakistan, via the Embassy of Sweden in Islamabad, as soon as possible.

Article 8

The Government of Pakistan and the Government of Sweden agree to consult each other, at the request of either, when any problem arises from the implementation of this agreement. The Government of Pakistan and the Government of Sweden furthermore agree to enter into consultations on the extension, modification or elimination of the limitations before the end of the period of agreement.

Article 9

The Annexes to this Agreement shall be considered as integral parts of the agreement.
