Enclosure

Dear Sir,

With reference to the bilateral agreement between Austria and Pakistan under Article 4 of the ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES, I have the honour to transmit herewith for your information copies of notes exchanged between Austria and Pakistan, dated 7 February and 9 February 1978, respectively.

Yours sincerely,

Excellency,

I have the honour to refer to the bilateral agreement under Article 4 of the ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES (hereinafter referred to as the ARRANGEMENT) between our two countries signed on 5 December 1974 in Vienna for a term ending 31 December 1977.

I further wish to refer to the negotiations which took place in Vienna on 2 and 3 February 1978 between the delegations of Pakistan and Austria. As a result of these negotiations our two countries agree not to extend the bilateral agreement referred to above.

Consequently, the competent Austrian authority will upon presentation of export authorizations issued by the Pakistan authorities for exports of cotton textiles as specified in paragraph 1 of Article 12 of the ARRANGEMENT automatically issue import licences for the import from Pakistan of these products.

The Pakistan authorities will inform the Federal Ministry of Commerce, Trade and Industry, Vienna, of the number and date of export authorizations issued as well as of the quantities of the aforementioned products covered by these export authorizations. This will be done by airmail on a monthly basis within the first ten days of the month following the issuance.
Austria will provide Pakistan on a monthly and cumulative basis with information regarding the respective import licences issued.

Should exports of the aforementioned products from Pakistan to Austria develop in a manner which, in the view of Austria, causes real risks of market disruption, Austria may request consultations with Pakistan with a view to reaching an agreement on mutually acceptable terms on the elimination of such risks. The request for such consultations shall be accompanied by a statement containing relevant data of the market conditions which, in the view of Austria, make necessary the request for consultations. Pakistan agrees to consult within thirty days from the date on which the request for consultations has been received, and to make its best efforts to complete such consultations within fifteen days of their commencement.

I should be grateful if you would kindly confirm that this letter sets out correctly the understanding reached between the delegations of our two countries.

Accept, Excellency, the assurances of my highest consideration.
