Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the Textiles Surveillance Body of the amendment of the bilateral cotton, wool and man-made fiber textile agree­ment between the Government of the United States of America and the Government of the Republic of Colombia. The original agreement was notified and circulated as COM.TEX/SB/410.

The amendment represents the accession of the United States to a request by Colombia to exceed the consulta­tion level for Category 444 (wool suits, women's, girls' and infants') for the first agreement year. The con­sultation level for this category (100,000 square yards equivalent) has been increased to 225,000 square yards equivalent.

Attached hereto is a copy of State Department Press Release No. 23 setting forth full texts of the exchange of Notes giving effect to the amendment.

Sincerely,

Harry M. Phelan, Jr.
Minister Counselor

Dear Dr. Arciniegas:

I refer to your letter of 6 October 1978 in which you requested authorization to exceed the consultation level for category 444 (wool dresses women's, girls and infants') established in the bilateral agreement for August 3, 1978, between our two governments relating to trade in cotton, wool and man-made fiber textiles.

In accordance with the terms of paragraph 9 of the agreement my Government proposes that the consultation level for category 444 for the first agreement year should be 225,000 square yards equivalent. If this proposal is acceptable to the Government of Colombia this letter and your letter of confirmation will constitute an amendment to the agreement.

Please contact me if I can be of any further help to you.

Sincerely,
/S/ George H. Thigpen
