ARRANGEMENT REGARDING INTERNATIONAL TRADE IN TEXTILES

Notification under Article 4:4

Modifications to Agreement between the EEC and Indonesia

Note by the Chairman

Attached are notifications received from the Commission of the European Communities of two modifications to the existing bilateral agreement with Indonesia.

The first notification concerns the introduction of provisional limits for 1981 on Category 6 (trousers) in four regions of the Community (France, Italy, Ireland and Denmark).

The second concerns the introduction of provisional limits for 1981 on Category 8 (shirts) in three regions (France, Italy and Ireland).

The initial consultation agreement and previous amendments or modifications are contained in COM.TEX/SB/419, 611, 679 and 680. The TSB's discussions of these notifications are contained in COM.TEX/SB/429, 626, 632, 645, 647, 664 and 682.

Dear Mr Ambassador,

Further to my notification of 2 February 1981 and in connection with the European Economic Community's Agreement on trade in textile products with Indonesia negotiated under Article 4 of the Arrangement and signed on 4 September 1979, I have to inform you of the following:

During the course of 1980 imports of shirts (Cat. 8) from Indonesia into the French, Italian and Irish regions of the Community exceeded 72,000, 59,000 and 4,000 pieces respectively, being the levels at which the Community can ask for consultations with a view to establishing a limit in respect of the regions of the Community concerned under the provisions of Article 3 of the Agreement. The Community having deemed that there was real risk of market disruption in these cases, the two sides consulted on 30th January 1981 in pursuance of Articles 4 and 5 of the Agreement. These consultations having been inconclusive, the Community felt obliged to establish provisional limits for the import of products falling under Category 8 for 1981 as follows:

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3059/78 of 21 December 1978 on common rules for imports of certain textile products originating in certain third countries (**), as last amended by Regulation (EEC) No 3553/80 (**), and in particular Articles 11 and 15 thereof,

Whereas Article 11 of Regulation (EEC) No 3059/78 lays down the conditions on which quantitative limitations may be established; whereas imports into France, Italy and Ireland of shirts (category 8) originating in Indonesia have exceeded the level referred to in paragraph 3 of the said Article 11;

Whereas, in accordance with paragraph 5 of the said Article 11, Indonesia was notified of a request for consultations concerning products of category 8 in respect of France on 21 October 1980 and in respect of Italy and Ireland on 4 December 1980;

Whereas, following consultations concerning one Member State, this product has already been subject to a provisional quantitative limit under Commission Regulation (EEC) No 3431/80 (**);

Whereas consultations are to be held and following consultations held recently concerning the three Member States it is desirable to make the product in question (category 8) subject to a provisional quantitative limit for the period from 1 January 1981 to 31 December 1981;

Whereas paragraph 13 of the said Article 11 ensures that the quantitative limit is observed by means of a double-checking system in accordance with Annex V to Regulation (EEC) No 3059/78;

Whereas the products in question exported from Indonesia between 1 January 1981 and the date of entry into force of this Regulation must be set off against the provisional quantitative limit for 1981;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee,

HAS ADOPTED THIS REGULATION:

Article 1

Importation into France, Italy and Ireland of the category of products originating in Indonesia specified in the Annex hereto shall be subject to the provisional quantitative limits given in that Annex and to the provisions of Article 2 (1).

Article 2

1. Products as referred to in Article 1, shipped from Indonesia to France, Italy and Ireland between 1 January 1981 and the date of entry into force of this Regulation, which have not yet been released for free circulation, shall be released subject to the presentation of a bill of lading or other transport document proving that shipment actually took place during that period.

2. Imports of products shipped from Indonesia to France, Italy and Ireland after the entry into force of this Regulation shall be subject to the double-checking system described in Annex V to Regulation (EEC) No 3059/78.

3. For the purposes of applying the provisions of paragraph 2, the quantities of products shipped from Indonesia on or after 1 January 1981 and released for free circulation shall be set off against the provisional quantitative limit established for 1981.

Article 3

1. This Regulation shall enter into force on the second day following its publication in the Official Journal of the European Communities.

It shall apply until 31 December 1981.

2. Regulation (EEC) No 3431/80 shall cease to apply in respect of France.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Dear Mr Ambassador,

In connection with the European Economic Community's Agreement on trade in textile products with Indonesia negotiated under Article 4 of the Arrangement and signed on 4 September 1979, I have to inform you of the following:

During the course of 1981 imports of trousers (cat. 6) from Indonesia into the Community exceeded 348,000 p, being the level at which the Community can ask for consultations with a view to establishing a limit under the provisions of Article 3 of the Agreement. The Community deemed that there was real risk of market disruption in this case. Pending consultations between the two sides, and in order to avoid sudden and total suspension of trade, the Community established provisional limits for 1981 in four regions of the Community, as follows:
