Subject to import regulations to be separately announced by the Minister of Commerce and Industry.
Remarks:

1. The above measures have been enforced on the basis of the Annual Export and Import Notice for the second half of 1981 and the first half of 1982.

2. Levels of imports affected in quantity and/or value: cannot be calculated.

3. Effective date of entry: July 1, 1981

4. Expiry date: The Korean government has not yet decided when it will lift the restrictions. However, these restrictions on textile imports will be gradually removed.

5. The Korean government subdivided the items by CCCN No. from 4 digits to 8 digits, which was enacted on July 1, 1981.
