The Honorable
Ambassador Paul Wurth
Chairman, Textiles Surveillance Body
GATT
154, rue de Lausanne
CH-1211 Geneva 21

Dear Mr. Chairman:

Pursuant to our discussions during the last meeting of the Textiles Surveillance Body (TSB), I herewith attach a listing of categories for which limits were set with Korea during the 1980 agreement year. These limits are considered by the two governments to be established under the implementation procedures of paragraph 6 of the U.S./Korean bilateral agreement and, hence, are not technically amendments thereto. However, since the limits do modify the agreement within the context of Article 4, paragraph 4 of the MFA, they are being so notified.

These limitations should be considered along with my earlier notification (distributed as TEX.SB/659) with respect to the establishment of a specific limit for category 604 for the 1981 and 1982 agreement years.

Sincerely,

Robert E. Shepherd
Minister-Counselor
Categories for which Limits were Established for the 1980 Agreement Year Pursuant to Paragraph 6 of the United States/Korean Bilateral Textile Agreement.
