In a general discussion of the issues pertaining to the provisions of Article 12, arising from the review of bilateral agreements at this and previous meetings, the TSB noted the importance of handloom fabrics and handmade products thereof to many participating countries, and in this regard drew the attention of all participants to the provisions of Article 12, paragraph 3. The TSB also recalled that in cases where difficulties arose out of the interpretation of these provisions, recourse to Article 12, paragraph 4, was always available to all participants. The TSB is of the view that the effective operation of the provisions of paragraph 3 of this Article depends primarily upon those parties concluding agreements thereunder. It remains for the TSB to discharge its responsibilities under the Arrangement, having due regard to the provisions of Article 12:4 and to its established procedure for the review of notifications.
