DRAFT AGENDA FOR THE FIRST MEETING (1976)\(^1\)
OF THE TEXTILES SURVEILLANCE BODY

As announced in TEX.SB/W/65, there will be a meeting of the Textiles Surveillance Body in the new ILO building, Room IV, R-3, on Tuesday to Thursday 27-29 January. The meeting will start at 10.0 a.m.

The following are the main subjects for discussion:

1. Approval of the draft report of the seventeenth meeting (document TEX.SB/W/66).

2. Review of notifications

(a) Canada/Korea - Article 3 (TEX.SB/71 and TEX.SB/97). These notifications were first reviewed by the TSB at previous meetings. Certain questions were put to Canada at the meeting of 15-19 December, replies to which are awaited.

(b) EEC/India - Article 4 and phase-out programme (TEX.SB/99).

(c) EEC/Pakistan - Article 4 and phase-out programme (TEX.SB/100).

(d) Import surveillance system applied by Switzerland (TEX.SB/101)\(^2\). In March 1975, following its examination under Article 2 of the import surveillance system in Switzerland, the TSB was informed that the system then applied would be revised and that the modification would be duly notified. This notification has now been received.

(e) Import regime of Mexico (TEX.SB/102). Following its assessment of the justification for the maintenance of restrictions by Mexico in July 1974, the TSB recommended that "the Government of Mexico report before the end of 1975 on the evolution of the textile industry and its relationship to the restrictions then in effect" (see COM.TEX/SE/30). This report has now been received.

(f) Unilateral restrictions by the EEC - United Kingdom (TEX.SB/103).

3. Continuation of the examination by the TSB of the EEC/Pakistan case (TEX.SB/96). This matter was first examined by the TSB at its meeting of 15-19 December. The TSB heard statements from both parties and

requested certain clarification. This will be presented by the parties concerned at this meeting.

4. Import surveillance system - present status of replies received.

5. Other business.
