Delegations are advised that the following arrangements have been made for the meeting of the Trade Negotiations Committee at 10.30 a.m. on 30 June 1967 in the Assembly Hall of the Palais des Nations.

Opening of meeting

Mr. Hans Schaffner, Swiss Minister of Economy, will open the meeting.

Presentation of documents

The Director-General will make a statement presenting the documents for authentication and opening them for signature.

Other statements

It is understood that only statements of a ceremonial nature - such as messages from Heads of States - will be made by delegations.

Signature of documents

Representatives of participants will be called in alphabetical order to sign the Final Act of the Conference. At the same time representatives may sign those instruments, annexed to the Final Act, which they have authority, in the form of Full Powers, to sign; the Full Powers (or provisional Full Powers in the form of letters or telegrams) should be transmitted to the secretariat on 29 June.

Press arrangements

It is understood that certain delegations will issue press releases in their own capitals shortly before the signature ceremony. It is the intent of the Director-General to issue a press statement for release at the time of the ceremony. This statement will concentrate on an analysis of the overall results of the trade conference.
Seating arrangements

Special seating arrangements will be made in the Assembly Hall for participating delegations, for other contracting parties, for wives and friends of delegates, for the Press and for the public.

Access to Assembly Hall

Apart from the main doors of the Palais des Nations, doors 13 and 15 will be open to enable easy access to the Assembly Hall.
