GENERAL AGREEMENT ON
TARIFFS AND TRADE

PRODUCTS OF SPECIAL INTEREST TO THE EXPORTS
OF LESS-DEVELOPED COUNTRIES

Communication from Peru

I have the honour to inform you that, in connexion with the lists of requests
for liberalization in the Kennedy Round, presented to individual delegations
through the GATT secretariat, my delegation has today addressed the following
communication to the delegations of developed countries:

"The Peruvian delegation for the Kennedy Round of Trade Negotiations presents
its compliments to the delegation of .....
and, in connexion with the list of
products of special interest to Peru, forwarded to your delegation through the
GATT secretariat\(^1\), requests your Government, having regard to the objectives and
significance of the Kennedy Round for developing countries, not to include those
products in any list of withdrawals of offers that it might present as a
consequence of any lack of agreement between developed countries. The Peruvian
delegation takes this opportunity to renew to the delegation of .....
Max de la Fuente Locker - Head of the Delegation."

I would be glad if you would bring this communication to the notice of the
contracting parties by distributing it as an official document of the Trade
Negotiations Committee.
