COMMUNICATION FROM THE GOVERNMENT OF FINLAND

The following is the text of a letter dated 14 May from the Permanent Representative of Finland.

I have the honour to inform you about the following reservation by Finland as to paragraphs 2 and 4 of Article II of the Memorandum of Agreement on a grains arrangement.

The participation of Finland in a grains arrangement is subject to parliamentary approval. Finland is willing to assume her share in the food aid programme as envisaged in Article V of the Memorandum. However, Finland reserves full freedom to continue the imports of grain in accordance with her traditional trade pattern. Consequently, Finland makes a reservation as to the obligation put forward under paragraphs 2 and 4 of Article II.
