GENERAL AGREEMENT ON TARIFFS AND TRADE

TARIFF NEGOTIATIONS WITH BRAZIL

Tariff Negotiations Committee

ARRANGEMENTS FOR GIVING EFFECT TO THE RESULTS OF THE NEGOTIATIONS WITH BRAZIL

Note by the Secretariat

1. In accordance with paragraphs 3 and 4 of Decision of 16 November 1956, the Brazilian Government and the other negotiating contracting parties have to submit to the CONTRACTING PARTIES a report on the results of the negotiations and on the action taken pursuant to the Decision. They have also to submit to the CONTRACTING PARTIES the new Schedule III, as well as modifications in the schedules of other negotiating contracting parties resulting from such negotiations.

2. On the other hand, the new schedule III, as well as modifications in the schedules of other negotiating contracting parties resulting from negotiations with Brazil will have to be embodied in a protocol by all contracting parties. As the application of the protocol involves changes in the schedules, which are an integral part of Part I of the Agreement, and as there is no provision in the Agreement which would allow these changes to be made except as amendments to the Agreement, the protocol which provides for these changes has to be accepted by all the contracting parties in accordance with Article XXX. As this procedure will in the light of past experience take a long time to complete, it will be necessary for the CONTRACTING PARTIES by a decision taken under Article XXV paragraph 5, to authorize the Brazilian Government to suspend the application of the concessions contained in Schedule III, and other negotiating contracting parties to suspend the application of certain concessions contained in their existing schedules, in so far as these concessions have been withdrawn or modified as a result of the present negotiations with Brazil. This decision would be operative until the protocol embodying the results of the present negotiations has been accepted by all contracting parties.

3. Finally, the Decision of 16 November 1956 authorizes certain modifications or withdrawals of concessions by countries affected by modifications resulting from the present negotiations. This authority would lapse when the Decision of 16 November 1956 ceases to be operative, that is on 1958, and it will be necessary for the CONTRACTING PARTIES to insert a provision similar to those of paragraph 4 of the Decision referred to in paragraphs 1 and 3 above.

4. It is suggested that the Tariff Negotiations Committee meet on Monday 23 June 1958 at 3 p.m. in the Bâtiment Electoral for a first reading of the draft protocol and the draft decision which, when approved, should be submitted to
the CONTRACTING PARTIES together with the report referred to in paragraph 3 of the Decision of 16 November 1956. The Tariff Negotiations Committee may wish to make suggestions to the CONTRACTING PARTIES concerning the most appropriate procedure for the submission of the report and the approval of the Decision referred to above.

ANNEX

DRAFT DECISION ON THE RESULT OF NEGOTIATIONS WITH BRAZIL

CONSIDERING that, by a Decision of 16 November 1956, the CONTRACTING PARTIES decided, subject to the terms and conditions laid down in paragraphs 1 and 2 of the said Decision, to waive the provisions of Article II, paragraph 1, of the General Agreement to the extent necessary to permit the Brazilian Government to put into force its new customs tariff and to complete negotiations with other contracting parties with a view to establishing a new schedule of Brazilian tariff concessions, and to authorize other contracting parties, pending the entry into force of the results of such negotiations, to suspend concessions initially negotiated with Brazil,

CONSIDERING FURTHER that the results of negotiations involve amendments to Part I of the General Agreement which, in accordance with the provisions of Article XXX of the General Agreement can become effective only when accepted by all contracting parties;

II. THE CONTRACTING PARTIES INVITE

all contracting parties to accept, as promptly as practicable, the protocol of 1958 so as to ensure the entry into force of the amendments to the Schedules annexed to the General Agreement, in accordance with the provisions of Article XXX of the General Agreement.
