The Secretariat of ICITO/GATT is seeking to fill two positions at the level of Economic Affairs Officer. Applications from men and women are equally welcome. Serving staff members interested in these positions are also invited to apply.

**POST:**
Economic Affairs Officer (two)

**CATEGORY AND LEVEL:**
Professional - P.3.

**BASE SALARY:**

**POST ADJUSTMENT:**

Allowances according to Staff Rules. Net salary and other emoluments are exempt from income tax and paid in Swiss francs.

**TYPE OF APPOINTMENT:**
Fixed-term until 31 December 1993, with possibility of extension.

**ORGANIZATIONAL LOCATION:**
Economic Research and Analysis Unit

**GENERAL FUNCTIONS:**
Duties include:

(a) Assisting the senior staff of the Unit in preparing the **Annual Report International Trade**. Preparing periodic analyses of current trends and developments in individual national economies and in the world economy at large.

(b) Preparing quantitatively oriented research projects on topics related to international trade (for example: the determinants of trade patterns; the relationship between trade and growth; structural adjustment in particular industries and markets; the costs of protection; the trade and trade policy implications of the ongoing integration of the world economy).

1/ This allowance is adjustable according to the movements in the cost of living and to changes in the official United Nations rate of exchange between the US dollar and the Swiss franc. The figures mentioned above, which should be added to the base salary figures, correspond to the exchange rate for August 1992.

92-1203
(c) Assisting other Divisions of the Secretariat, GATT panels, working parties and committees with research-related work.

DESI R A B L E
QUALIFICATIONS: Advanced degree in economics, preferably up to Ph.D. level. Evidence of a good working knowledge of modern international trade theory and quantitative economic analysis. At least five years of experience working on international economic problems, including practical statistical work. Some research experience with modern international macro theory would be helpful.

Ability to supervise the work of statistical assistants, to write clearly, concisely and speedily, and to establish and maintain good working relations with persons of different nationalities.

LANGUAGES: Excellent knowledge of either English or French, and a working knowledge of the other language; additional languages an advantage.

ENTRY ON DUTY DATE: December 1992

APPLICATIONS: Publications in the field of international trade or unpublished papers of some substance should be submitted on loan, along with a formal application, to

Chief of Personnel
