</table>

TYPE OF APPOINTMENT: Fixed-term for two years.

GENERAL FUNCTIONS: Under the supervision of the Director of the Division the incumbent will assist in carrying out the tasks of the Division in relation to trade in services and the implementation of the General Agreement on Services. The incumbent will have specific responsibility for the economic aspects of this work, including the analysis of the economic and commercial interests and the conceptual issues involved, for the servicing of negotiations on subsidies, government procurement and emergency safeguard measures, and the development and maintenance of an economic database.

94-1636

¹This allowance is adjustable according to the movements in the cost of living and to changes in the official United Nations rate of exchange between the US dollar and the Swiss franc. The figures mentioned above, which should be added to the base salary figures, correspond to the exchange rate for July 1994.
DESIRABLE QUALIFICATIONS: Advanced degree in Economics, with thorough knowledge of international trade theory and extensive practical experience (at least 10 years) in the areas of international trade relations and negotiations.

LANGUAGES: Excellent knowledge of either English or French, including an ability to write accurately, precisely and quickly in one of these languages. Good working knowledge of additional languages, especially Spanish, would be an advantage.

APPLICATIONS: A formal application should be submitted to:
