Terms of Reference

"(a) To examine the Draft Convention for the Purpose of facilitating the Importation of Commercial Samples and Advertising Materials, in the light of the comments received since the Sixth Session, and to recommend the text of a convention which could be opened for signature by governments;

"(b) To examine the Draft Recommendations on Documentary Requirements for the Importation of Goods and on Consular Formalities in the light of comments received since the Sixth Session, and to recommend what action might be taken by the Contracting Parties;

"(c) To consider the Resolutions submitted by the Chamber on Valuation and on Nationality of Manufactured Goods in the light of the discussion at meetings of the Contracting Parties; to invite the representatives of the Chamber to give an explanation in support of these Resolutions and to recommend to the Contracting Parties what action should be taken; and

"(d) To consider the Resolutions, submitted by the Chamber, on Formalities connected with Quantitative Restrictions and on the Sanctity of Contracts and to recommend to the Contracting Parties what action should be taken."

NOTE: Document W.7/1 will contain the list of all the working parties and will be issued when all have been established.
