ARTICLE VIII

Proposals by the United Kingdom Delegation

To make clear the scope of this Article it is suggested that its title be amended to read:

"Fees and Formalities Connected with Importation and Exportation"

and that the first sentence follow the wording of the corresponding sentence in Article 36 of the Havana Charter and read:

"The contracting parties recognise that all fees and charges of whatever character (other than import and export duties and other than taxes within the purview of Article III) imposed by governmental authorities on or in connection with importation or exportation should be limited in amount to the approximate cost of services rendered and should not represent an indirect protection to domestic products or a taxation of imports or exports for fiscal purposes."
