Proposed clauses of Draft Report on Ceylon Application

Clause to be included in Report regarding the eligibility of certain measures

The Working Party agreed that the proposed measure in respect of this item was eligible under paragraph 7 of Article XVIII. Some members agreed to this because they felt that the measure fulfilled the requirements of sub-paragraph 7 (a) (i), but others felt that it was more appropriately justified under sub-paragraph 7 (a) (iii).

Clause to be included as a part of the recommendation

The quantities indicated in column X represent the maximum quantities of domestic products which would be used by Ceylon in calculating the standard ratios between such quantities of domestic production and imports for the purpose of issuing import licences under the provisions of Ceylon's Industrial Products Act.
