QUESTIONNAIRE USED IN ANTI-DUMPING INVESTIGATIONS

1. At its May 1980 meeting the Committee agreed that Parties who used questionnaires in anti-dumping investigations should submit them to the Committee for information (ADP/M/2, paragraph 30).

2. The secretariat has received copies of the United States standard form questionnaire for prospective anti-dumping petitioners and a copy of the United States standard form questionnaire for respondents in anti-dumping actions for the information of the Committee. Given the length of the questionnaires they will not be circulated at this time but they are available in the secretariat for inspection by interested delegations.*

*Interested delegations are requested to contact Miss S. Aspinall, Office 1063, Tel. Ext. 2153.
