*Trade volume is based on statistical data for the latest available calendar year prior to initiation.

1 Per cent or amount per unit if appropriate.
Basis for determination codes:

HM - Home market price
TM - Third country market price (specify country)
CV - Constructed value
SP - Prices charged by same producer
OP - Prices charged by other producer

OPT - Prices charged by other producer in third country
OCT - Costs of other producer in third country
O - Other (specify)
LDC - treatment having regard to Article 13 of the Agreement and the Decisions of the Committee, document ADP/2 (also in column 3 where applicable)
NOTE TO THE SEMI-ANNUAL REPORT

The investigation could not be concluded within the planned period because no Czech enterprise replied to the questionnaire addressed to producers and exporters in the (former) CSFR.

Moreover, the Czech firms refused access to necessary information or significantly impeded or prevented the investigation by granting a too short period of time to verify information provided; some Czech firms did not answer to the Austrian request for verification within a reasonable period.
