   - 5 October 1988 - ADP/M/23
   - 24-25 October 1988 - ADP/M/24

3. Twenty-three contracting parties and three non-contracting parties have observer status. Furthermore, representatives of the IMF and of UNCTAD have attended meetings of the Committee in an observer capacity.

II. Notification and examination of anti-dumping laws and/or regulations of Parties to the Agreement (Article 16:6)

4. As of 15 October 1988 twenty-two Parties have submitted their legislation concerning anti-dumping procedures or have made communications in this respect to the Committee. Three Parties have not, as yet, made formal notifications to the Committee under Article 16:6 of the Agreement. One of those Parties has informed the Committee that it is revising its anti-dumping law.

5. During the period under review the Committee received notifications regarding (amendments to) anti-dumping laws and/or regulations from the following Parties:

   - Australia: Anti-Dumping Authority Act 1988 (ADP/1/Add.18/Rev.1/Suppl.2, pp. 6-21)

6. During the period under review, the Committee concluded its discussion of Australian Customs Notice No. 87/169 (ADP/1/Add.1/Rev.1/Suppl.1), the Guidelines adopted by the Japanese Government for the conduct of anti-dumping and countervailing duty investigations (ADP/1/Add.8/Suppl.1), Article 10 of the Korean Customs Act and the related Presidential Decree (ADP/1/Add.13/Rev.1), the Indian Customs Tariff (Second Amendment) Act of 1982 and the Customs Tariff Rules of 1985 (ADP/1/Add.25 and Corr.1), Resolution No. 00-1227 of the Brazilian Customs Policy Commission (ADP/1/Add.26/Suppl.1 and Corr.1), and the EEC Commission Notice concerning the reimbursement of anti-dumping duties (ADP/1/Add.1/Suppl.4). The Committee continued its examination of Council Regulation (EEC) No. 1761/87 of 22 June 1987 amending Regulation (EEC) No. 2176/84 on protection against dumped or subsidized imports from countries not members of the European Economic Community (ADP/1/Add.1/Suppl.5) and the Pakistani Ordinance No. III of 1983 (ADP/1/Add.24). In addition, the Committee started its examination of the laws and regulations listed in the preceding paragraph.

7. Some Parties drew the Committee's attention to certain provisions in the anti-dumping laws and/or regulations of some other Parties which they considered were inconsistent with the Agreement and urged those Parties to ensure the full conformity of their legislation with the Agreement. It was agreed that Parties to which comments concerning their legislation were
addressed would consider them. Some Parties reserved their right to revert to particular aspects of the national anti-dumping laws and/or regulations at a later stage or in the light of the application of such laws and/or regulations in particular cases. The Committee therefore agreed to maintain on its agenda the examination of national anti-dumping laws and/or regulations already submitted and those which will be submitted in the future.

III. Semi-annual reports on anti-dumping actions
