ANTI-DUMPING LEGISLATION OF THE EUROPEAN ECONOMIC COMMUNITY
(ADP/1/Add.1/Rev.1)

Questions by Australia

1. Article 4:3 - Injury
What is the Community's definition of "threat of injury"? Would this extend to include orders placed with an exporter, or would it refer to goods actually on the water?

2. Article 5:6 - Complaint
May the Customs authorities in the member states themselves initiate anti-dumping or countervailing actions where there has been no complaint from the domestic industry? If so, under what circumstances? With what issues would such investigations deal?

3. Article 7:5 - Initiation of an investigation
What is the prescribed period within which interested parties may make a request for an oral hearing of their case?

4. Article 14:2 and 3 - Review
What opportunity do exporters have to be heard when a review is (a) initiated by a member state or (b) by the Commission, under the transitional provisions of an Act of Accession?
