ADDITIONAL QUESTION FROM THE EC REGARDING THE ANTI-DUMPING LEGISLATION OF AUSTRALIA

In reply to question 1(b) raised by the EC in document ADP/W/197 of 23 January 1989 concerning section 9 of the Anti-Dumping Authority Act 1988 (ADP/1/Add.18/Rev.1/Suppl.2), Australia has cited - document ADP/W/216 of 20 April 1989 - three enquiries conducted at the Minister's request relating to dumping issues of a general nature.

Given the importance of these issues (constructed value, material injury, sales at a loss during an extended period of time), the EC request the Australian authorities to fully inform the Committee on Anti-Dumping Practices of the results of these enquiries as well as of the use it intends to make of them.
