   2-3 February 1981 - (ADP/M/4 and L/5107)
   27-28 April 1981 - (ADP/M/5 and L/5143)

The Group of Experts on the Definition of the Word "Related" established jointly by this Committee and the Committee on Subsidies and Countervailing Measures in May 1980 (ADP/M/2, paragraphs 37-38 and SCM/M/3, paragraphs 33-45) completed its work and submitted a report to the Committee in April 1981 (ADP/M/5, Annex II). The Committee adopted this report at its October 1981 meeting.

7. The delegation of Canada has submitted its draft legislation to the Committee for discussion and comments (ADP/M/3, paragraphs 36-61).

8. At its October 1980 meeting the Committee took a decision with respect to the action by Brazil under Article 16:6 of the Agreement (ADP/M/3, Annex I). This decision recognized inter alia that Brazil would require a further period of three years to establish an administration structure and to set up administrative procedures in order to implement its domestic legislation in conformity with the provisions of the Agreement.

9. It was agreed that the Parties to which comments concerning their legislation were addressed would consider them. Some Parties reserved their rights to revert to particular aspects of the national legislations at a later stage or in the light of their practical implications. The Committee agreed to maintain on its agenda the examination of national legislations already submitted and those which will be submitted in future.
