BACKGROUND INFORMATION FOR ANNUAL REVIEW OF THE
OPERATION OF THE AGREEMENT

Note by the Secretariat

Addendum

Attached is the Summary of Anti-Dumping Actions taken within the period
1 July 1980-30 June 1981 and 1 July 1981-30 June 1982. The late submission of
several semi-annual reports and the lack of more detailed information made
impossible more comprehensive analysis of the developments in this field.
However some preliminary conclusions can be drawn.

1. There has been some increase in the number of anti-dumping actions in
1981/1982 as compared with 1980/1981:

(a) Initiations:  
1980/1981 - 71 (7)
1981/1982 - 156 (19)

(b) Provisional measures:  
1980/1981 - 39 (2)
1981/1982 - 41 (8)

(c) Definite duties:  
1980/1981 - 24 (-)
1981/1982 - 60 (6)

(d) Price undertakings:  
1980/1981 - 11 (1)
1981/1982 - 18 (1)

2. Actions taken by the three most active Parties (Canada, EEC and the
United States) in the anti-dumping field affect (at least in the quantitative
sense) mainly other developed Parties. It does not seem that this conclusion
would be modified if the analysis was completed by inclusion of cases which
were dismissed or terminated by a negative finding in the course of an
investigation.

1 Number in brackets indicate actions affecting developing countries.
2 Australia has not been included in this analysis because insufficient
information was available.
### ANNEX

#### Summary of Anti-Dumping Actions

</table>

1Calculated for each exporting country and each product (country x product). Calculated on a basis of products only, irrespective of the number of exporting countries, these numbers would be considerably lower. The actions taken into account are only those reported in accordance with the footnote to the standard form (ADP/3).

2Actions taken with respect to the Parties only.

3Countries or customs territories. The abbreviations used are those adopted by the ISO. AT-Austria, AU-Australia, BE-Belgium, BR-Brazil, CA-Canada, CH-Switzerland, CH-Chile, CN-China, DD-Germany, DE-Germany, ES-Spain, FI-Finland, FR-France, GB-United Kingdom, HU-Hungary, IN-India, IT-Italy, JP-Japan, KR-Korea, LU-Luxembourg, MY-Malaysia, NL-Netherlands, PL-Poland, PT-Portugal, RO-Romania, SE-Sweden, SG-Singapore, SU-USSR, TW-Taiwan, US-United States, YU-Yugoslavia.

4No action has been reported for the period 1 July 1980-30 June 1981.

5No action has been reported for the period 1 July 1981-30 June 1982.

Note: The difference in the number of cases between this table and the table attached to L/5229 result mainly from the methods used in each calculation. The table in L/5229 includes all cases reported in semi-annual reports for a given period, irrespective of whether the reported action has indeed taken place within such a period. The above table includes only those actions which were reported and effectively have taken place within the reporting period.

Numbers in brackets indicate the number of products subject to anti-dumping actions.
