GENERAL AGREEMENT ON

Committee on Anti-Dumping Practices

LIST OF ISSUES TO BE CONSIDERED BY THE
AD HOC GROUP ON THE IMPLEMENTATION OF THE AGREEMENT

Note by the Secretariat

1. At its meeting of 26 October 1982 the Committee decided to establish an
ad hoc Group to prepare recommendations on issues related to the
implementation of the Code where agreement seemed possible and report to the
Committee (ADP/W/9, paragraph 70). The secretariat, on the basis of existing
records, has prepared a list of issues that have been raised and where there
were some points of agreement (items 1-5). The list also enumerates issues
which have been raised by several delegations (items 6-10) and although no
points of agreement have emerged so far the Group may wish to consider them.

2. The list below is a tentative one. Additional items may be proposed by
20 January 1983. A revised version will be circulated as soon as possible
