Decision of 25 March 1987

The following Decision was taken by the Committee on Trade in Civil Aircraft at its meeting of 25 March 1987:

"Recalling that, on 20 February 1980 (AIR/M/1, paragraph 44), the Committee stated its willingness to authenticate a Spanish text of the Agreement, and further recalling that, on 8 October 1986 (AIR/M/18, paragraph 6), the Committee agreed that the Spanish text of the Agreement prepared by the GATT secretariat dated April 1986 was the correct translation of the Agreement:

The Committee agrees that the Spanish text of the Agreement on Trade in Civil Aircraft, reproduced in the Annex to the document AIR/61/Rev.1, shall be considered authentic."
