The following communication, dated 19 February 1986, has been received from the Permanent Delegation of the Commission of the European Communities.

Attached hereto is a communication from the European Communities regarding food aid.
Food Aid

With respect to the dairy sector, the quantities made available for 1986 to certain countries and certain organizations as food aid are the following:

(a) skimmed milk powder: maximum 94,100 tons
(b) butter oil: maximum 27,300 tons.
