Food-Aid Operations Relating to Dairy Products

The following communication, dated 14 March 1986, has been received from the Australian Permanent Mission.

FOOD AID

Australia has designated 463 metric tons of skimmed milk powder valued at US$347,168 to Viet-Nam under the World Food Programme (WFP) for delivery in the first quarter of 1986. An additional 309 metric tons valued at US$231,696 will be made available for the WFP in the second quarter of 1986 (destination yet to be determined).

Sixty metric tons of whole milk powder valued at US$83,997, has been designated for shipment to Thailand under bilateral arrangements during the April-June quarter of 1986.

No food-aid transactions of buttermilk powder, anhydrous milk fat, butter or cheese are planned for the first two quarters of 1986.
