1. Participants have agreed to furnish information on domestic policies and trade measures on the basis of questionnaire 5 (Rule 23 of the rules of procedure). The replies to that questionnaire will be published as addenda to the present document, which will be partially revised to take account of any changes, as and when made (Rule 29 of the rules of procedure).

2. The document as a whole will constitute the inventory of all measures affecting trade in dairy products, including commitments resulting from bilateral, plurilateral and multilateral negotiations, which the Council has instructed the secretariat to draw up, and keep up to date, under the provisions of Article III of the Arrangement (note to Article III and Rule 29 of the rules of procedure).
