The present document as a whole will constitute the revised inventory of all measures affecting trade in dairy products, including commitments resulting from bilateral, plurilateral and multilateral negotiations, which the Council has instructed the secretariat to draw up, and keep up to date, under the provisions of Article III of the Arrangement, and of which the full text is to be distributed to participants at the beginning of each three-year period. The information which the participants have agreed to furnish on their domestic policies and trade measures on the basis of Questionnaire 5 will be published as addenda to the present document, which will be partially revised to take account of any changes, as and when made (Article III of the Arrangement and Rules 23 and 29 of the Rules of Procedure). The present document will replace the previous inventories (DPC/INV/1 and addenda, DPC/INV/2 and addenda).
