COMMITTEE OF THE PROTOCOL REGARDING CERTAIN MILK POWDERS

Notification from the Permanent Representative of the Republic of Poland

The following notification, dated 19 November 1993, has been received from the Permanent Representative of the Republic of Poland with the request that it be circulated to parties to the International Dairy Arrangement.

In conformity with the notification provisions established under Article 3:5 of the Protocol Regarding Certain Milk Powders, I wish to inform you and other members of the Committee that a Polish exporter intends to sell 200 metric tons of skimmed milk powder (SMP) for animal feed to a customer in Japan, at a price of US$998 per ton f.o.b.

The delivery is expected to be completed in December 1993. Under this provision of the Arrangement exporters are permitted to ship unaltered SMP for animal feed purposes to importers which have their processes and control measures registered. The above-mentioned destination is among those countries.
