Committee of the Protocol Regarding Milk Fat

Notification from the Permanent Representative of Australia

The following notification, dated 15 February 1993, has been received from the Permanent Representative of Australia with the request that it be circulated to parties to the International Dairy Arrangement.

Pursuant to paragraph 3 of the Decision of 22 June 1993, please note the following contract to supply butter and butterfat to the former Soviet Union:

Volume: 15,000 metric tons
Selling price: $A 1,770 per ton f.o.b. (US$1,178)
Delivery schedule: 150-ton initial shipments early in November 1993

Remainder to be shipped from late December 1993 to March 1994.

Final details of the shipping schedule will be provided at a later date. However, all shipments are scheduled for completion by the end of March 1994, as required under the derogation.

This notification should have been made in November 1993, when the contract was concluded.
