The following communication, dated 15 January 1991, has been received from the Permanent Representative of the Republic of Poland.

Upon instructions from my authorities, I wish to notify the following for information of the participants to the International Dairy Arrangement:

"The Polish private exporter, "DORADO" Ltd., Poznan, ul. Jugoslowianska 52/12, intends to sell 250 tons of skimmed milk powder (SMP) for animal feed to a customer in the Netherlands. The price will be US$985 per ton f.o.b. and the delivery will take place in March 1991. Under the provisions of Article 3:5 of the Protocol Regarding Certain Milk Powders, the participants are allowed to export SMP for animal feed to countries which registered their processes and control measures with GATT."
