The following communication, dated 19 April 1991, has been received from the South African Permanent Mission with the request that it be circulated to members of the International Dairy Arrangement's Committee of the Protocol Regarding Certain Milk Powders.

In accordance with Article 3:5 of the Protocol Regarding Certain Milk Powders, South Africa would like to notify herewith its intention to conclude sales of around 200 metric tons of skimmed milk powder (SMP) for animal feed purposes in an unaltered state to Japan at a price of around US$1,000 f.o.b. per metric ton. The SMP is scheduled for delivery in the second quarter of 1991.
