The following notification, dated 4 December 1991, has been received from the Permanent Representative of the Republic of Poland with the request that it be circulated to parties to the International Dairy Arrangement.

Pursuant to Article 3:5 of the Protocol Regarding Certain Milk Powders, the Mission of Poland wishes to notify herewith that a Polish exporter intends to sell 100 metric tons of skimmed milk powder (SMP) for animal feed to a customer in Japan, at a price of US$990 per metric ton f.o.b.

Deliveries are scheduled for the fourth quarter of 1991. Under this provision of the Arrangement exporters are permitted to ship unaltered SMP for animal feed purposes to importers which have their processes and control measures registered. The above-mentioned destination is among those countries.
