The following errors have been discovered in the Protocol amending the Agreement on Government Procurement, which was distributed to the Parties at the informal meeting of 13 February 1987.

---

English text
Page 3:
- In the new Article II:2, first sentence, a comma should be inserted between the words "this Agreement, the Parties shall ensure";
- Under Article III:7, the words "paragraph 13" and "paragraph 14" should be between quotation marks.

Page 8:
- Under item 29(1), the text should read: "The reference in the heading and in the first sentence", etc.;
- Under item 30, the words "options clauses" should read "option clauses".

Unless objections have been received by 31 March 1987, the secretariat will make the above corrections in the original Protocol.
