The following communication, dated 4 February 1982, has been received from the delegation of Denmark.

The threshold value for 1982 has been fixed at DKr 1,140,000. This value is based on the exchange rate ECU/DK 1/7.91734 and rounded for administrative convenience.

***

The following communication, dated 10 February 1982, has been received from the delegation of Japan.

The value of the threshold in Japanese Yen has been fixed at ¥38,000,000 for 1 April 1982-31 March 1983 and this has been made public in the Kanpō of 22 January 1982.

The method of calculation is as follows:

1. Conversion rate

   \[
   \begin{array}{c|c|c|c}
   \text{US$ pr. SDR} & \text{Yen pr. US$} & \text{Yen pr. SDR} \\
   1.17932 & 220.825 & 259.824 \\
   \end{array}
   \]

2. Japanese Yen equivalent of SDR 150,000

   \[
   \begin{array}{c|c|c|c}
   \text{} & \text{} & \text{} \\
   259.824 & 150,000 & 38,973,600 \\
   \end{array}
   \]

3. The threshold has been fixed at ¥38,000,000. (The fractional sum of less than ¥1,000,000 discarded).
