1. At its first meeting, held on 15 January 1981, the Committee "... agreed on a procedure (for the derestriction of documents) which was based on customary GATT practice ... i.e. that working documents and minutes are never derestricted and that the secretariat should make a proposal annually regarding other documents to be derestricted at the end of the year; these latter documents would be derestricted if no delegation objected to the proposal." (GPR/M/1, paragraph 14).

2. It is recalled that the GPR/24-series and GPR/31 were derestricted earlier in 1986 (ref. GPR/M/16, paragraph 43, and GPR/M/21, paragraph 53).

3. The following documents are being proposed for derestriction:
   - GPR/30
   - GPR/32
   - GPR/34 and Add.1

4. It is also suggested that the decisions taken on 21 November 1986 at the conclusion of the first phase of the Article IX:6(b) negotiations be derestricted. The texts are reproduced in the draft minutes circulated to the Parties as GPR/Spec/55. However, the content of the Protocol of Amendments is proposed for derestriction only once communicated by the Chairman to the GATT Director-General.

5. Any Party wishing any of these documents or texts, or part of a document or text, to remain restricted is invited to notify the secretariat not later than 18 December 1986.
