Communication from the United States delegation

The following communication from the delegation of the United States was received in the secretariat on 1 May 1987.

On 3 April 1987, the delegation of Japan submitted, pursuant to Article IX:5(a) of the Agreement on Government Procurement, rectifications of a purely formal nature in document GPR/39.

Pending further clarification and explanation of the notified changes, the United States delegation does not agree that these are rectifications of a purely formal nature in the sense of Article IX:5(a). It is our hope that a satisfactory clarification of the situation can be obtained at the upcoming meeting of the Committee.
