Delete the existing text and substitute the following:

"Dairy Cows" - Females two years old and older kept mainly for milk purposes.

"Calves" - Under one year old (includes both dairy and beef, male and female).

Page 4, Table B.1

Delete the existing text of footnote 1 and substitute the following:

"Cows" - Mature females which show evidence of having calved.

"Calves" - Includes young cattle dressed "skin on", generally under one year of age but some under one year would be dressed as beef.

Delete the existing text of footnote 2 and substitute the following:

"Inspected Slaughter" - On mature cattle this is approximately 85 per cent of the commercial slaughter.

For calves - approximately 60 per cent of the slaughter is inspected.
