INFORMATION ON IMPLEMENTATION AND ADMINISTRATION OF THE AGREEMENT

The following communication has been received from the delegation of Chile.

In compliance with the provisions of Article 1, paragraph 4, and Article 5, paragraph 4(b), of the Import Licensing Code, I am pleased to submit, in duplicate, copies of Chapters II, III, V and VI of my country's Compendio de Normas de Importacion [Compendium of Import Rules].

Those chapters refer to the requirements to be fulfilled by an importer in Chile, the goods that may be imported and the procedures to be followed in an import operation, whether by an import registration, or (where necessary) an application annexed to the registration, or a record of sale of foreign exchange for import (where the transaction is for less than US$3,000). The documentation forms required for these procedures are enclosed.
