Committee on Import Licensing

DERESTRUCTION OF DOCUMENTS

Note by the Secretariat

1. At its second meeting held on 29 April 1980, the Committee agreed that:

"... a procedure based on customary GATT practice for the derestricion of documents would be followed, i.e. that working documents and minutes would never be derestricted and that the Secretariat should make a proposal annually regarding other documents to be derestricted at the end of the year and that these documents would be derestricted if no delegation objected to the proposal." (LIC/M/2, paragraph 23).

2. The following documents are being proposed for derestricion:

LIC/1/Add.53
LIC/3/Add. 36 and 37
LIC/4/Rev.4
LIC/18

3. Any signatory wishing any of these documents, or part of a document, to remain restricted is invited to notify the Secretariat not later than 30 March 1993.
