The following information has been extracted from two communications received from the New Zealand permanent mission, dated 28 May 1976.

**New Zealand sales of skimmed milk powder in fortnight up to 23 May 1976**

The sale was made on 13 May 1976 to Yugoslavia under paragraph 10 of the New Zealand Processes and Control Measures, as recorded in the Register of Processes and Control Measures in document L/3552/Add.7.

In accordance with Paragraph 4 (c) (i) of the Decision the competent New Zealand authorities, the New Zealand Dairy Board, have obtained an attestation from the competent Yugoslav authorities, STOF0 (Federal Foundation for the Promotion of Production of Animal Plasma and Other Animal Products), which is the competent institution for the distribution of animal food to Yugoslav animal breeders.

In accordance with paragraph 4 (c) (ii) of the Decision, the text of the attestation received from STOF0 is set out below:

"Subject: 6,000 tonnes New Zealand's milk powder purchased 13 May 1976.

We hereby certify that the above product imported by:

- Centroprom - Beograd 1,000 tonnes
- Koprodukt - Novi Sad 2,400 "
- Dalia - Split 500 "
- Univit - Ljubljana 2,100 "

Total 6,000 ""
will be subject to control that it is being used exclusively for animal feed purposes and will not be re-exported.

STOPO
(signed) Rasovic - Government Director."

(The attestation also carries an official stamp.)

In accordance with paragraphs 4 (b) and (c) (iii) the following details are provided:
