Under "(b) Comments by other countries:" delete existing text and add:

"The representative of Switzerland observed in this connexion that, as a general rule, regulations' requirements in regard to packing, its stamping and the languages to be employed were unduly strict and constituted an obstacle to trade. Different legislations made it necessary to employ different packages, which hindered rational production and made it difficult to put new products on the market, particularly for small countries and which produced a variety of products."
Product: (BIN) Preserved meat of the bovine species or of swine (ex 16.02)

Country or group maintaining measure: Canada

Countries indicating an interest: Romania
